

WATER STEWARD **ENRICHMENT** ACTIVITIES

The Land Trust often partners with local schools to provide environmental enrichment activities, including:

Watershed Harmony Puppet Show

NatureFest

Youth Fishing Clinic

Tree planting

Conservation Field Trips

Water Testing Training

Conservation Field Trip

Water Testing Training

Youth Fishing Clinic

Watershed Puppet Show

If you are interested in partnering with the Land Trust to implement one of these or other enrichment activities for your students, please contact us – we are excited to help you achieve your goals!

Additional Water Steward **Enrichment Activities**

The following is a listing of additional enrichment opportunities. This compilation includes extra projects, games and activities that will enhance the student's understanding of a watershed in general, and will hopefully foster a sense of stewardship for their local watershed. The Land Trust for the Mississippi Coastal Plain would like to thank Cherie Schadler of BayouTown Productions for compiling the following list of Enrichment Activities.

A GREENER MISSISSIPPI GULF COAST

WLOX - Channel 13 Biloxi, Mississippi
